Bring your completed trial membership application form to our welcome desk at the club. You will be provided a temporary membership card and number which gives privileges as a full member as long as the card is active (two weeks).

A credit card must be linked on file which will enable you to charge drinks, dinners, lessons, carts and other items that our members routinely purchase.

A nominal \$100 fee will be placed on the card for membership. By law, we need to charge for a membership to maintain our Club Level Liquor License. This fee will be converted to your membership dues, should you decide to join us or can be used to cover incidental charges such as food and drinks.
